Dear Mr. Price,

At the request of the Health Quality Council of Alberta, Dr. Anny Sauvageau, Chief Medical Examiner for Alberta brought the Office of the Chief Medical Examiner (OCME) file related to the investigation into the death of your son Greg Michael Price forward for review by the Fatality Review Board.

The Board reviewed the file on March 15, 2013 and did not recommend a public fatality inquiry.

If you disagree with this decision and have additional information you would like to share with the Board you are welcome to send a letter to the attention of Mr. Don McDermid; Chair Fatality Review Board. Letters can be mailed to Mr. McDermid in care of the Edmonton Office of the Chief Medical Examiner.

Sincerely,

Kim Borden
OCME/FRB Liaison
